

SCRAPPY APPLIQUÉ WORKSHOP SUPPLY LIST

Certified Teacher: Kristie Naranjo

- One Scrappy Appliqué Pattern Template of your choice* (REQUIRED)
 - PDF & printed patterns available at KristieNaranjo.com/shop
 - Limited amount of printed patterns from Kristie on the day of the workshop for in person events
 - contact me at studiokristie@gmail.com for information regarding specific patterns

- Various scrap fabric for the appliqué piece
 - 8 to 12 different scrap fabrics no smaller than 4"x8" for your first project.
 - Solid, semi solid. and small scale prints work well in a variety of light, medium and dark values.

- Lightweight fusible web (I recommend MistyFuse)

- Lightweight non-woven, fusible interfacing (I recommend Pellon 906F)

- Tear away iron on stabilizer (I recommend Sulky Totally Stable)
 - This will only be used if you finish your appliqué with a satin stitch

- Large teflon sheet or Reynolds brand parchment paper

- Iron & Large pressing surface (an old towel is ideal)

- Basic Sewing Supplies:
 - Scissors (small & large), Rotary Cutter & Cutting Mat, Pins

- Marking pen (I prefer Micron Pen 8mm)
 - Do not use marking pen that bleeds or disappears

- Background Fabric (see pattern for yardage)

***Note on Scrappy Appliqué pattern for workshop:**

Please select **any** Scrappy Appliqué pattern template in a small or medium size only. Small is ideal for a half day workshop and a small or medium sized in a full day workshop.

Learn the technique on a smaller size to gain the knowledge, experience, and skills to work on larger or more advanced projects like the zebra Amaya.

Optional Supplies:

- Sewing Machine**

- Clear Polyester Monofilament thread** (used for topstitching options)
 - Can substitute fine weight thread (100 weight)

- Thread that coordinates with the collage fabric**

- Machingers Gloves** (if free motion topstitching and/or quilting)]

- Dritz Fray Check

- Plastic baggies for extra cut collage pieces

****Half Day Classes (4-hours) will not need these items in class**

An Appliqué Kit will be available for purchase on the day of class for in person workshops.

This kit includes:

- 2.5 yards fusible web (MistyFuse)
- 2 yds lightweight, non-woven, fusible interfacing (Pellon 906f)
- 1 yd tear away iron on stabilizer (Sulky Totally Stable)
- clear polyester thread

This kit will accommodate pattern sizes mini, small, wall, crib or lap.

—Individual supplies of each item will also be available for purchase—

If you have any questions, please email me at studiokristie@gmail.com.
